

Attention Clients

Beginning on March 1, 2024, you will be assigned a day of the week, according to your residential zip code, on which you can come to Provisions for your supplemental groceries.

Please read through the following lists of zip codes to determine your assigned day of the week.

WHAT DOES THIS MEAN?

If, for example, your zip code is assigned to Wednesday, you can come on any Wednesday during the month. You are NOT being assigned a single specific date.

You are still able to shop for your own groceries as usual.

We are still following all of the other policies and guidelines.

Please remember:

- to bring your own shopping bags
- we do NOT have a restroom for client use, so plan ahead
- we do not allow children in the pantry, so plan for childcare offsite
- only one household member can shop in the pantry

WHY ARE WE DOING THIS?

If you have been to Provisions in the last 12 months, you surely have seen the increase in the number of people coming to us for help. Our client numbers have increased significantly over the last year to a year and a half. We are starting this schedule in an effort to equalize the number of clients we serve on each day, and to equalize the quantity of food that is being distributed each day. This, we hope, will benefit the clients and the volunteers, making the experience for both more enjoyable and productive.

We appreciate your understanding and cooperation.

The following lists are presented in numeric order. Look for your zip code in all three lists.

The column in which your zip code appears is your assigned day.
